Chapter 1

Download of Materials

1.1 Codes from SCC gitlab

You can download codes for the tutorial on the tutorial machine (or your laptop) with:

```
git clone https://git.scc.kit.edu/dh9277/GridKaSchool17.git
```

—

To get into a tutorial machine, use

```
ssh gks@cpp-begin-<Number>
```

Passwords will be handed out...

Chapter 2
